**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have had excellent service from Sonic in Northern CA. Customer service is eons above anything I've ever encountered in a large company (ATT, Directv, Infinity etc.).

Please maintain an environment where Sonic can compete. Broadband is critical to my private psychotherapy business and my home network. Please say no to price hikes that will increase the cost of internet and telephone service.

Thank you for your consideration.
